

BOOK OF THE MONTH

HOLINESS By J C Ryle \$7.95

The author wrote in his introduction in 1879 - 'I have had a deep conviction for many years that practical holiness and entire self-consecration to God are not sufficiently attended to by modern Christians in this country. Politics or controversy or party spirit or worldliness have eaten out the heart of lively piety in too many of us. The subject of personal godliness has fallen sadly into the background. Sound doctrine is useless if it is not accompanied by a holy life.'

He could have easily been writing in 2010!

'This is a must read. It is one of my favourite Christian books.'

Brian Heath

John Charles Ryle served for almost 40 years as a minister of the gospel before being appointed as the first Bishop of Liverpool, England in 1880.

REMEMBER! When you take a book, please put your name on the list and your money in the envelope marked: 'Book Payment'.
